With reference to your Memo No.802 dated 4th November 1911 forwarding in original letter No.158 dated 31st October 1911 from the District Medical Officer, Bangalore, in re allowing the Hospital Assistants in charge of Branch Dispensaries in Bangalore City, to draw their own salary bills and those of the Establishments without the countersignature of the District Medical Officer, I have the honor to request to be favoured with your opinion on the proposal made by the District Medical and Sanitary Officer. I request also to be referred to the authority on which the existing practice is based; none is traceable in this office.

Letter No.158 dated 31st October 1911 from the District Medical and Sanitary Officer, Bangalore District, to the Comptroller, Mysore Government, Bangalore.

I have the honor to state that the Medical Officers and subordinates in charge of the Branch Dispensaries in Bangalore City, are put to great inconvenience in getting their pay and other bills encashed at the Local Treasury without countersignature of the District Medical and Sanitary Officer and that the Hospital Assistants in the Mofussil get their bills encashed without such countersignature. I request therefore that the local men be given the same privilege of drawing their bills on their own responsibility, since the absence of the District Medical Officer from the Head Quarters on occasions puts the ~~Medical~~ Staff to great hardship and the officers and subordinates concerned to much anxiety.
